HeatWave will try to help you.

Money should never be a reason you cannot participate.

This is why we have fundraisers: to help each other and the group as a whole.

You will need to purchase your own dance shoes. You may choose to go to a retail store rather than order on-line for several reasons...

- 1) you get to try them on and get expert advice on fit;
- 2) you will not need to pay shipping;
- 3) you avoid the inconvenience of returning something because it did not fit .
